

SAWE LA Chapter Dinner Meeting

Thurs, February 1, 2018

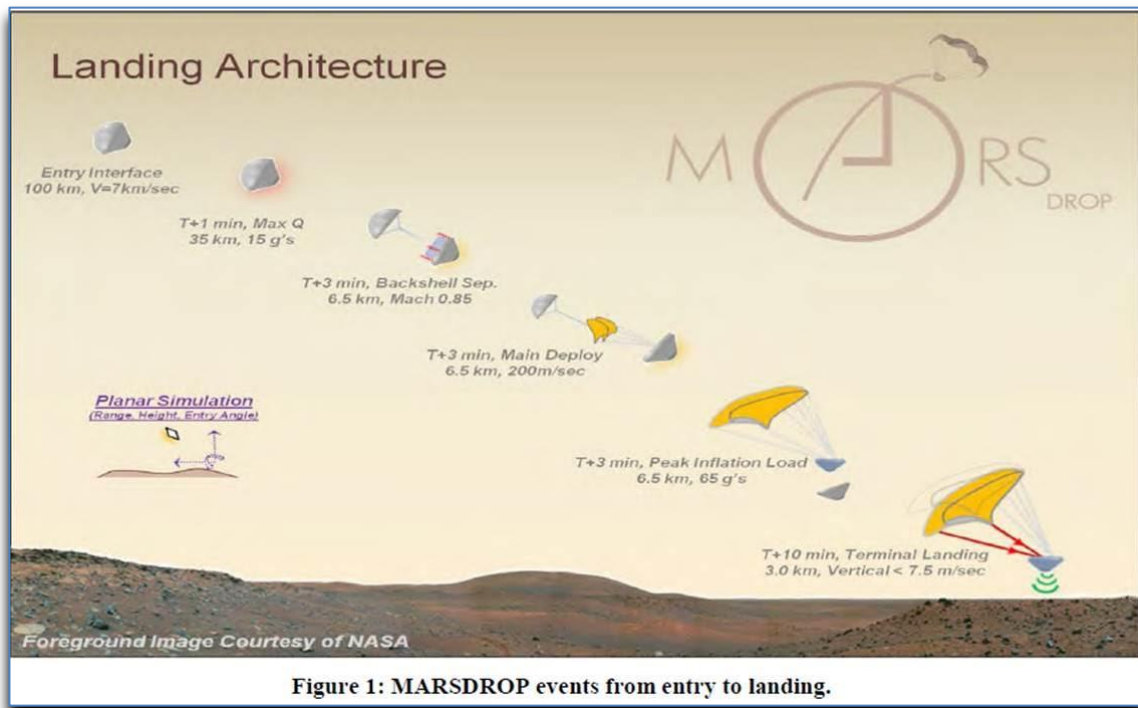

Northrop Grumman Aerospace Systems, S-Cafe

1 Space Park, Redondo Beach, CA 90278

(Enter from Marine Ave between Aviation and Redondo Beach Blvd)

5:30 PM Social; 6:00 PM Dinner and Meeting

Presentation by special guest speaker Mathew Eby

DESCRIPTION: Take a photo-journal trip across the globe in search of Martian terrain. The quest to understand the history of water, and possibly life, on Mars takes shape here on Earth, as NASA scientists seek out Mars Analogs. Ride in the backseat as we visit the Atacama in Chile and the Great Salt Lake in Utah, and discuss some engineering behind the search.

Dinner catered by Aristo Café Mediterranean Cuisine

Cost: \$12.00 for current SAWE members, \$15 for guests

Menu choices: Chicken or Tri-tip Shawarma, Chicken, Beef Shish, or Veggie Kabob Plates

Please R.S.V.P. no later than noon **Monday, January 29th
