Society of Allied Weight Engineers

79th International Conference on

Mass Properties Engineering

May 23rd - 28th 2020

Hamburg, Germany

Privathotel Lindtner

CALL FOR PAPERS

Non-members are welcome to make presentations and/or attend

Papers are solicited which deal with current issues and recent advancements in mass properties and related engineering disciplines in the following areas:

- Mass Properties Control / Systems Eng.
- Product Life Cycle Management
- Marine and Offshore Systems
- Ground Systems
- Air and Space Flight Systems
- Advanced Design Characterization
- System Verification
- Mass Properties and Cost

Abstracts should include the paper title, author's name, position and company affiliation. They should be 250 - 350 words in length and should contain a statement of the problem or objective, the method of approach, and a summary of conclusions. The abstract should not deal with specific data.

To submit abstracts see Author Instructions at: <https://www.sawe.org/technical/papers/instructions>

Hamburg Area Venue and Agenda Information : <https://www.sawe.org/conferences/intl20>
